# Martial Arts Research and Studies (M.A.R.S.)

Academic Research, Studies and Reports in the field of Martial Arts.

By Sean Wauters

**To: All readers and enthusiasts.**

Dear Readers.

During our research, we often come across interesting studies, papers, reviews, and other works published in various journals. In our 'Views and Reviews' section, we will present these in the form of 'Single Article Reviews'

The rights of these articles will always stay to the original journal. It is not and never will be our intendency to claim any rights to it. The communication will be louter informative in order to inform the martial arts community.

It will be done in the following form:

**Title: Example of the title.**

---

## Abstract:

Reference: Full reference of the article.

Found on: Date when the article was found:

Example: During academic research on online research database (Pubmed, database for medical research) we came across this specifical article.

Date of find: 3.12.2024
